

THLCIC Behaviour Policy

This policy sets out the school's powers to deal with negative behaviour or behaviour that prevents students from learning or feeling safe at Treasure House. The school must comply with statutory guidance, including DfE guidance 'Behaviour and Discipline in Schools, January 2016', and has a legal duty to comply with the Equality Act 2010, in respect of safeguarding and in respect of pupils with Special Educational Needs (SEN).

The Treasure House Community

The Treasure House community consists of all students, staff and volunteers who take part in the life of Treasure House.

Our Ethos & Respect

When we respect ourselves and others we create a positive, safe and happy environment where we can learn effectively and reach our full potential

Young people come to Treasure House having been unable to cope in mainstream schools. They may have had prolonged absences or experienced extreme anxiety in the high-pressure atmosphere of a mainstream setting.

Our ethos is to provide a flexible, negotiated approach in a supported setting. By providing students with physical and emotional spaces that minimise the triggering of stress response, we can support their growth and ability to cope and encourage new positive growth. By enforcing the 'circle of safety' around them, it is possible to undo some of the difficult feelings and associations that remain from their previous experiences in education. We aim to engage the students in the learning process again and teach them to love learning. We appreciate that this can take time and may initially feel like an impossibility to some students. We are a community of individuals with the common belief that mainstream settings do not work for all students all of the time and that we can offer a viable alternative with small group and 1:1 teaching. We work with no more than 15 students at Treasure House at any one time.

In order to foster a safe and supportive environment for our young people we ask that both parents/carers and students sign a Home/School Learner agreement that sets out what we will each commit to do. We expect all students and parents/carers to sign this agreement as part of their place at Treasure House.

We are a school that believes in hard work, fairness, respect, honesty and kindness. We ask that each student agree to support their peers as well as treating all students and members of staff with respect. Students should also behave respectfully towards equipment, the building and grounds.

Risk assessments are undertaken in preparation for outings and visits. When out on trips, students are expected to represent the school and behave well at all times. Teachers are responsible for students whether on or off the premises and school rules will apply as appropriate.

Violence at Treasure House will not be tolerated. If a student acts in a violent or aggressive manner then they will be excluded from the provision. In serious cases, the student will be permanently excluded.

Approach to identifying and investigating behaviour

Each case must be dealt with on its merits, however, should students break school rules or show signs that they do not respect members of the Treasure House community:

Sanctions will be applied fairly in accordance with DCSF guidance and exclusion used when no other alternatives are available.

Praise and Reward

Record of Achievement Folders

Each student receives a folder that they add to, over the course of their time at Treasure House. This is presented to them when they leave Treasure House and serves as a place to keep their exam certificates when they receive them.

Certificates of Achievement

Certificates are awarded each half term for all students who have made excellent progress, produced an excellent standard of work or achieved 100% attendance or punctuality rates. These certificates are awarded by subject teachers or from the Head Teachers.

Each student will get a copy of the certificate for their Record of Achievement. This allows them to share their successes with family before the end of the year.

Treasure House (London) CIC

Parents Evenings

Parents evenings are held to inform parents about the progress that their child is making so that they can best support their child to work to their maximum capability. Teachers enjoy the opportunity to give positive feedback for the effort that students put in to their studies and the positive changes that their child has undertaken.

Teachers & other staff members

Teachers and other staff members are encouraged to reward their students in lessons and during the school day. Teachers are encouraged to adopt their own methods of reward including, but not limited to:

- Stickers or stamps, eg. 'Well done', 'Good effort'
- Quizzes or challenges with rewards
- Positive comments written in folders
- Trips out to museums or other educational opportunities
- Feedback to Directors

In addition, the Directors may reward or praise the students by:

- Calling, or sending a message to parents
- Arranging whole school trips out, for example to Nandos, Ice Skating, the BMX track or to the theatre
- Ordering a meal or preparing something extra special for lunch
- Conversations with the student to emphasise the positive progress that they have made
- Giving the student a chance to play a game, or watch a film.

Reward Plan

- Students may be offered the opportunity to take part in a Reward Scheme where they collect rewards (sometimes in the form of pebbles) which are rewarded with a gift voucher at a certain number. The target will be set in conjunction with the child and parent(s)/carer(s) will be informed.

Birthdays are an important celebration at Treasure House and every student will receive a cake and a card on their birthday.

Managing Behaviour & Sanctions

The staff of Treasure House (London) CIC are committed to using a conciliatory approach to managing problems and incidents. Most of our students have been subject to difficult and upsetting experiences in school and in formal settings. We believe that by treating our students as responsible individuals, we will equip them for life beyond education including teaching them how to successfully manage relationships, be assertive and better understand how to be part of a group.

This requires all students to take responsibility for themselves **and their own actions** and to commit to working towards creating better relationships for themselves, even with people who are not necessarily like them. We do not require students to become friends with other students but teach our students that part of life, particularly in the world of work, is being around people that

Treasure House (London) CIC

may be different to you; it is important to show them respect and tolerance and expect the same in return.

Teachers have the right to expect a certain level of acceptable conduct from a student. If a student misbehaves, breaks a school rule or fails to follow a reasonable instruction the teacher can impose a punishment on that pupil.

Classroom Teachers, and other non-teaching staff, are expected to deal with minor incidents of disrespect or rule breaking. The member of staff is encouraged to report any incidents to the Head-teachers who will follow the procedure above (see fig 1.1).

We will not tolerate disrespect or physical violence towards any member of staff.

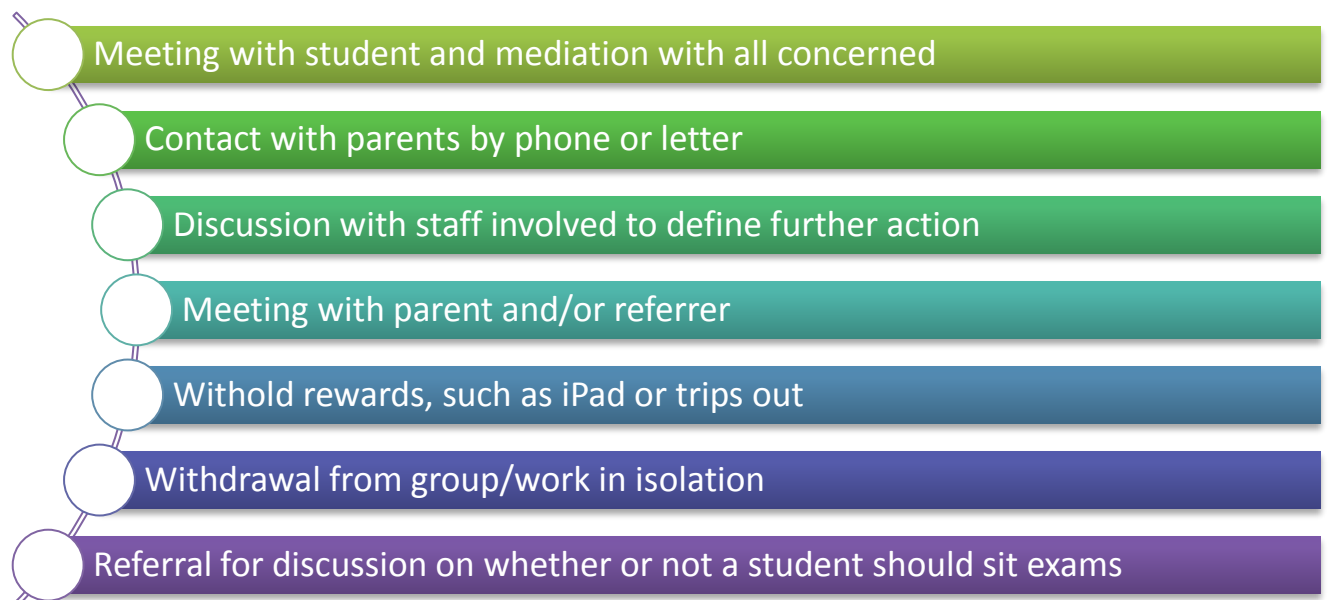

When dealing with behaviour issues, staff will:

- Explain to the student the effect of their negative behaviour and redirect them
- Explain to the student the effect of their negative behaviour and warn them that if it continues then they may be subject to other further sanctions
- Request that a student be put on a behaviour plan or leave a comment or low rating on their behaviour report
- Refer the student to a Director
- Send the student out of the class where they must report to the office
- Set extra work or homework in place of missed class work
- Apply another sanction as set out in the DfE guidelines, Behaviour and Discipline in Schools, January 2016

Consistent displays of disrespect or rule breaking

Sanctions Include:

Behaviour Plans

Treasure House (London) CIC reserves the right to put a young person on a Behaviour Plan at any time. We believe this is an effective way of improving areas of concern as it allows the young person to understand, and focus upon, what needs to change. The young person will continue on the plan until they:

- a) show significant signs of improvement in the areas outlined on the plan and
- b) there are no other remaining behaviour concerns.

Students who do not show respect to school staff will not be removed from a plan.

Behaviour Plan Cycle

Parent(s)/Carer(s) Obligations

Parents must sign the plan every evening to show that they have read the comments and will discuss them with their child. If parents have any concerns then they can request a meeting at any time to review the plan.

Serious Incidents

Serious incidents are, without exception, dealt with by the Directors. These include:

- Truancy from school & lessons
- Extreme rudeness to staff
- Aggressive behaviour
- Smoking on school premises
- Refusal to comply with other sanctions
- Theft
- Bullying

Treasure House (London) CIC

Sanctions Include

- Meeting parents/guardians
- Ongoing monitoring/'Cooling Off' period
- Possible exclusion
- Withdraw from group/work in isolation in the office

Very Serious Incidents

These incidents are, without exception, dealt with by the Directors. They include:

- Persistence of the above serious incidents
- Serious incidents of bullying
- Sexual contact
- Racial/sexual harassment
- Fighting
- Bringing an offensive weapon to school (laser pens, knives, pellet guns, fireworks, scissors, this list is not exhaustive)
- Involvement with drugs or alcohol
- Physical aggression towards a member of staff will be treated with the utmost severity

Sanctions available include:

- Internal exclusion
- Fixed term exclusion
- Permanent exclusion
- Police involvement

Malicious accusations against staff members

We aim to build strong and positive relationships with pupils. However there may arise an exceptional circumstance where a student makes an allegation against a member of staff. If, after investigation, the accusation is deemed to be malicious, i.e. a deliberate act to deceive, then serious sanctions are likely to be applied to the student which will usually result in permanent exclusion or managed move.

Banned items

In the interests of the health and safety of pupils, staff, other members of the school community and visitors to the school, the school asks parents and pupils to ensure that any inappropriate and dangerous items, or harmful substances, are not brought in to school. In the majority of cases the application of common sense will easily determine what should not be brought in to school. Pupils suspected of bringing in any item in the banned items under 'Prohibited items' may be searched without consent (in accordance with [DfE - Behaviour and discipline in schools, Advice for headteachers and school staff, January 2016](#)), including their belongings, by the Director(s) or other staff who are authorised to do so.

Treasure House (London) CIC

Prohibited Items

Power to search without consent for "prohibited items" include:

- knives, including craft knives, pen knives, razors
- guns of any kind, including replicas and BB guns
- alcohol
- illegal drugs and 'legal highs'
- stolen items
- tobacco and cigarette papers including e-cigarettes
- fire lighting equipment or inflammable liquids
- fireworks or explosives of any kind
- offensive material such as pornographic, racist or violent images
- any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property
- any item banned by the school rules that has been identified in the rules as an item which may be searched for.

Weapons and knives and extreme or child pornography must always be handed over to the police, otherwise it is for the teacher to decide if and when to return a confiscated item. Pupils suspected of bringing in any other banned item, such as those listed below may be searched (only with the pupil's consent), by a member of staff.

Other banned items

- Laser pens or LED torches
- Cameras: the school reserves the right to confiscate cameras or mobile phones and to delete any unauthorised pictures or video recordings of pupils or staff

The school reserves the right to seize, confiscate or destroy any of the banned items, or any item that the school deems to be unsuitable and dangerous. Sanctions may be applied to any pupil found in possession of any banned item or any item that the school deems to be unsuitable and dangerous. Pupils may be excluded in extreme cases, or when pupils have received previous warnings about banned items. Treasure House is keen to work together with other agencies to support the students in every way. This includes behavioural issues also.

Parenting Agreements or Parenting Orders

In January 2017 the government issued statutory guidance '[School attendance parental responsibility measures](#)' outlining additional measures for parental responsibility for behaviour and attendance. It gives local authorities and all schools legal powers to impose parenting contracts, parenting agreements and penalty notices for poor attendance and behaviour in schools. There is an expectation on schools to follow the guidance outlined therein. Potentially, these measures, when taken in the context of behaviour, can be applied to all young people on roll at Treasure House (London) CIC. Where attendance becomes problematic, the young person and their parents will be referred to the EWO at the Local Authority, where they are of compulsory school age (until the end of June in the academic year after their 16th birthday).

A **parenting contract** is an agreement between the parent(s) of a student and the local authority or governing body of a school. They are voluntarily agreed by parents and consist of measures to improve attendance or behaviour at school. Measures contained in the contract will be funded by the local authority and may include referral to parenting classes and information on how the parents can get support (DfE, 2017).

A **parenting order** is imposed by the court and does not require parental agreement. It consists of a) a requirement for the parent(s) to attend counselling, such as parental education, for up to three months and b) a requirement for them to agree to measures set out to improve behaviour or attendance, valid for up to 12 months. The order will be monitored by a Local Authority officer, named in the order and any breach could lead to a fine of up to £100.

These measures will only be used by the school where all other options have been exhausted. Please see the guidance via the link above for further details.
